SEC. 1. BE IT ENACTED BY THE GENERAL Assumpty or THE STATE OF ORIO, That section one of the above recited act be amend ed so as to read as follows: Section 1. That all steamboats and other water crafts, of all steamboats and other water craits, of twenty tons burthen and upwards, naviga-ing the waters within or bordering upon this State, shall be liable, and such liability shall be a lien thereon, for all debts contract-ed on account thereof, by the master, owner, steward, consignee or other agent, for materials, supplies, or labor in the building, re-pairing, furnishing or equipping the same, or for insurance, or due for wharfage, and also, for insurance, or due for whartage, and also, for damages arising out of any contract for the transportation of goods or persons, or for injuries done to persons or property by such craft, or for any damages or injury done by the captain, mate, or other officers thereof, or by any person under the order or sanction of either of them, to any person who may be a passenger or hand on such steamboat or other water craft, at the time of the infliction of such damage or injury.
SEC. 2. That section one of the

which this is amendatory, be and the same is hereby repealed. This act to take effect from and after its passage. RICHARD C. PARSONS, Speaker of the House of Representatives. ROBERT C. KIRK,

Passed March 10, 1860.

AN ACT

AN ACT
Defining the powers and describing the duties of the Board of Public Works.

Smc. 1. Be it enacted by the General Assembly of the State of Ohio. That the public works of the State shall be divided by the Board of Public Works into three grand divisions or districts, to be designated by such names or numbers as said Board shall doem proper, and to be of such limit and extent as said Board from time to time shall prescribe; and each member time to time shall prescribe; and each member of the Board of Public Works shall, as the acting commissioner of said Board, take charge such division as may be assigned to him by said Board, and he responsible to the extent of his power and authority for the due and faith-ful administration of the affairs of such district

Sec. 2. The term of office of the member of the Board of Public Works elected on the secand Tuesday of October last, shall commence on the sixteenth day of February, and shall continue for three years thereafter, and until his successor shall be elected and qualified; and the other members of the Board heretofore elected and qualified, shall, in like manner, continue to hold their offices for the term of three years from the time they were sworn into office, and until their successors shall be elected and qual ified; and the term of office of the members of the Board hereafter annually elected, shall commence on the second Tuesday of February

Sec. 3. The members of the Board of Public Works shall each take an oath or affirmation to support the Constitution of the United States and of the State of Ohio, and to honestly and impartially discharge the duties of the office, and shall also give bond with sufficient securi-ty, to be approved by the Governor, in the pe-nal sum of not less than thirty thousand dollars canditioned for the honest and faithful discharge of the respective duties of their offices and for the faithful accounting for and paying over all moneys which may come into their hands respectively, according to law, which bonds, with the approval of the Governor en-dorsed thereon, shall be filed with the Treasurer of State. The members of the Board of Publi-Works shall designate and appoint one of their number to act as Pr. s dent of said Board, and who in addition to his duties as acting commistioner shall perform such duties as are or shall se required by Law of the President thereof, & said Board shall continue to keep the "office o Public Works" at the seat of Government, in which office shall be kept all the books and pawhich office shall be kept all the books and papers, records and other documents of said
Board, which shall be open to the inspection
of all persons interested, at all reasonable
times; and all notices or reports required by
law to be given to the said Board by any of
the officers of the State, when left in writing at said office, or deposited with any person who may have charge of the same, shall be considered as having been duly given and have charge of the "office of Public Works" and the custody of the records, books, papers and documents aforesaid, and shall conduct the

check of the acting co

place and manner of receiving proposals of

said contracts, and the character and magni-

tude of the work to be performed, the mate-

rials to be furnised, or both, if required, for

SEC. 10. No member of the Board of Pub-

lie Works, engineer, superintendent, collec-

tor of tolls, gate-keeper, weighmaster, inspec-

tor, secretary or clerk, or any other person holding office under said Board during the

location or construction of any canal or feed-

tract or purchase, directly or through anoth-

for hydraulic purposes, on or adjacent to any such canals or feeders under the charge of

said Board, until after the expiration of his

term of office; or be engaged or concearned,

either directly or through another person, in

any contract for labor, construction or sup-plies of any description whatever. Every person found guilty of violating the provis-

ons of this section, on conviction thereof in

any court of competent jurisdiction, on in-

dictment or information, shall be adjudged to pay a fine of not less than one hundred dol-

Sec. 11. It is hereby made the duty of

the Auditor of State to cause all the rolls, abstracts and accounts of the collectors of toils

upon the canals, slackwater or other improve-

ments of this State, for the last and each sub-

equent season of navigation, to be thorough-

found necessary.
SEC. 12. Each resident engineer, appoint-

ed under the provisions of this act, shall re-ceive an annual salary of twelve hundred dol-

lars. Each superintendent appointed under

the provisions of this act; shall receive an

annual salary of six hundred and sixty dol-

shall, moreover, forfeit his office.

er, shall become interested; either in con-

construction of the said works.

correspondence of said Board.
Sec. 4. The said Board of Public Works shall have power to as point not exceeding five resident engineers, and assign to each of them the supervision of such part of said grand divisions or districts as, in their opinion, shall be for the best interests of the State, under such rules and regulations, not contrary to law, as may be from time to time prescribed by said Board; and the respective terms of office of said engineers, shall commence on the first Monday of April, A. D. 1860, annually thereafter on the sixteenth day of February. The said Board of Public Works shall also have power to appoint the collectors of tolls on the canals of the State, at all such points as shall have been or may be established for the collection of tells, as hereinafter provided; and said collectors shall be governed by such rules and regulations as the Board may pre-scribe, not inconsistent with law, and shall receive such compensation as hereinafter pro-vided. Every collector, or other officer, in anywise entrusted with the collection or dis-bursement of tolls or other revenue pertaining to the Public Works, shall, previous to his as-suming the duties of his office, give hond to the State of Ohio for the faithful discharge of his duties, which bond, with sufficient security ap-proved by said Board, shall be by them immedeposited in the office of Auditor of State. The penal consideration of said bond shall not be less than fifty per cent. of the amount of money collected or disbursed by the same officer in the preceeding year, and shall be conditioned for the faithful performance f his duties, and for the prompt collection disbursement, paying over and accounting for onging to the State. The said Board of Pub-ic Works shall also have power, and is herey made their duty, to appoint such number Superintendents of repairs, gate keepers, weight-masters, and inspectors, as in their eral public works may require to render the same efficient, and for the interest of the State. Every officer appointed under the provisions of this act, before entering upon the an oath or affirmation that he will dilligently and faithfully discharge all the duties ap perfaining to his appointment, and promote, to the extent of his ability, the interst of the State, so far as may be legally in his power. Every person so appointed to office, shall re-reserve duplicate certifiates of said appointment signed by the President of the Board and attested by the Secretary of the Board, upon one of which certificates shall be endorsed and subscribed the oath above required to be taken before some one having power to administers an oath, and the same shall be certified and attested by such person, and by such appoin-tee handed to the acting commissioner of his division, or torwarded by mail to the Board of Public Works, to be filed in the office therof; and the said appointee shall hold hissaid office for the term of one year from the time of his appointment, and until his successor may be appointed and qualified; provided that every person so appointed may be remov-ed at any time previous to the expiration of his term, by the Beard of Public Works, for neglect of duty or malfeasance in office. All the vacancies that shall occur in either of the ofvacancies that shall occur in either of the offices aforesaid, occasioned either by death
resignation, removal or otherwise, shall be
filled for the residue of the term, in the same
manner and by the same authority as hereinbefore provided for making appointments
for a full term; and all such offices so
appointed and serving part only of the
term of office, shall be paid rateably a
due pertion of the salary hereinafter provided, and no more.

SEC. 5. That to provide for the prompt payment of laborers, and for the purchase of ma-

ment of laborers, and for the purchase of materials, and incidental expenses in the current repairs of any of the Public Works of the State, e resident engineer on any division may, at a commencement of any month, or at any inas near as practicable, that will be needed to pay for the repairs of said quarter, exclusive of the salary of the Superintendent, and may issue his certificate in favor of the Superintendent of repairs on said division, upon which certificate, the acting Commissioner may, if certineate, the acting Commissioner may, if satisfied with the correctness of the estimate, and of the expediency of such proceeding, draw his check for the amount, or any portion thereof, on the Auditor of State, whose duty it shall be to issue his warrant on the State Treashall be to issue his warrant on the State Frea-surer for the amount specified in the check, and to charge the same to the particular work or improvement to which it properly belongs.— The Superintendent in whose favor said advance payments shall have been made, shall thereafter immediately proceed to pay all the indebtedness which he may have incurred on behalf of the State for repairs, materials or in-

with this requirement inconvenient for the time being, on which contingency he shall make such payment at the earliest practical time thereafter; and the said Superintendent shall settle with the said resident engineer quarterly, as usual heretofore, and intermediately, if required by said engineer, as the basis upon which to predicate his estimate for the remaining part of the current quarter, and no voucher shall be allowed in the settlement of a Superintendent's account, unless the money for which it purports to be a receipt, shall have been actually paid and the rates of labor or materials shall be such as shall be approved by the resident engineer aforesaid. Should it so happen that a surplus shall remain in the hands of any Superintendent at the end of any quarter, the same shall be carried forward, to be used in like manner the next succeeding the following the properties of the same shall be carried forward, to be used in like manner the next succeeding the success of the properties of the State of Ohio, in prospensed dollars; at Canroll six hundred dollars; at Cancowille, six hundred dollars; at Circlinati, one thousand dollars; at Circlinati, one thousand dollars; at Maumee City, five hundred dollars; at Hamilton, six hundred dollars; at St. Mary's, six hundred dollars; at Hamilton, six hundred dollar quarter, the same shall be carried forward, to thousand dollars; at M'Connelsville, five be used in like manner the next succeeding hundred dollars; at Harmar, six hundred dollars; and at Logan, six hundred dollars.

perintendent's term of office, the said engineer shall not include in his estimate, any amount for the last thirty days of said term, and shall be careful to limit the amount of his estimate for that quarter, or any part thereof, below the for that quarter, or any part thereof, below the shall each receive five hundred and fifty dolactual amount of the probable expenditures, so as to prevent any surplus remaining in the lars per annum; no deputy weighmaster shall

hereafter be appointed.
Inspectors at Toledo and Cleveland shall hands of any Superintendent at the close of his term of his office, but, if notwithstanding such precaution, any balance should remain in the hands of any such Superintendent at the experintendent at the experintendent exchange and fifty dollars; the inspector's office at Junction is per a final distance and the second of the distance of the distance and the second of the distance of the distance

piration of his official term, the resident Engineer of his division shall have power to charge the same over to said Superintendent, and apply it to the payment of his quarterly amount of salary then due, and if any further balance remains in his hands, the same shall be paid into the State Treasury.

SEC. 6. The said Board of Public Works is hereby authorized to lesse water on any of the several reservoirs of the Public Works under such rules and regulations as are or may be prescribed by law for leasing water power on the public works of the State. And the said Board is hereby further authorized and required to make from time to time, an examination of the officers above enumerated shall be paid in officers above enumerated shall be paid in at Arms, and Assistant Sergeants at Arms, is hereby further authorized and required to make from time to time, an examination of the leases of water power upon or connected with any of the Public Works of the State, made by the lawful agents thereof, in cases where the lessees of water power or any assignee thereof may require it, to adjust and fix the amount of rent in arrears, or to be paid by such lessee or assigns, at such prices as they may deem just and equitable, and to cancel existing leases with the consent of the lessees or assigns, or when such lesses have become forfeited and said Board shall deem the interest of the State will be promoted thereby, to shut off the water and prevent the use thereof under any such officers, quarterly, and to issue his check acting commissioner to ascertain the several officers above enumerated shall be paid in quarterly installment, at the close of each fistal quarter, as now established, out of the State treasury, upon the warrant of the Auditor shall not draw his warrant without the check of the acting Commissioner of the proper division, for the amount due such officer, for such quarter, or any part thereof, according to the facts of the case; and it is hereby made the duty of such acting Commissioner to ascertain the paid in quarterly installment, at the close of each fistal quarter, as now established, out of the State treasury, upon the warrant of the Auditor of State; but the said Auditor shall not draw his warrant without the check of the proper division, for the amount due such officer, for such quarter, or any part thereof, according to the payment of the salaries of the State treasury, upon the warrant of the Auditor shall not draw his warrant without the check of the State treasury, upon the warrant of the Auditor shall not draw his warrant without the check of the State Journal and Onio Statesman, twelve hundred dollars.

For the payment of the Salar Clerks and Messengers, twenty thousand and Messengers, twenty thousand dollars.
